FIG. 10

[illegible]

Figure 1 is a schematic diagram of a device 1. The device consists of a rectangular frame 12. Inside this frame, there are two square components 31 and 32, each containing an 'X' symbol. These components are connected to a central rectangular block 20. The entire assembly is enclosed within a larger rectangular frame 50. Dimensions AR1 and AR2 are indicated at the bottom, representing the width of the right and left sections of the device, respectively. Labels 70H1 and 70H2 point to the square components 31 and 32, respectively.
